

Plastic Clever Cafés

Encouraging the use of reusable items

Mandatory action taken

Cafés will:

1: Encourage the use of refillable mugs for hot beverages

A discount will be offered to customers who bring refillable mugs. Staff will also encourage customers to bring reusable items and remind them of the discount.

2: Encourage the use of reusable water bottles

Cafés will provide tap water that customers can refill their bottles with for free. Café staff will also remind customers of this when purchasing packaged water

3. Reduce the amount of single-use plastic straws, lids and stirrers used

Plastic lids and straws are only provided when asked for and reusable spoons are used instead of single-use plastic stirrers

4. Reduce the amount of plastic bags used

Plastic bags are provided only when asked for, and customers are encouraged to bring their own reusable ones

5. Reduce the amount of takeout plastic cutlery used:

Plastic cutlery is only given out if asked for
